

RECORD OF PROCEEDINGS
AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

IN THE MATTER OF:

[REDACTED]
[REDACTED]

DOCKET NUMBER: 87-03917

COUNSEL: NONE

NOV 27 1988

HEARING DESIRED: YES

RESUME OF CASE:

On 13 January 1988, the Board considered applicant's request that his discharge be changed to a medical discharge. The Board found the application was not timely filed and that it would not be in the interest of justice to waive the untimeliness. A copy of the Record of Proceedings is attached at Exhibit F.

THE BOARD CONCLUDES THAT:

1. Insufficient relevant evidence has been presented to demonstrate the existence of probable error or injustice. After thoroughly reviewing the evidence of record and the additional documentation submitted by applicant, we are still not persuaded that he has been the victim of an error or injustice. The documentation applicant has provided is noted; however, it does not substantiate that he was physically unfit for continued military service at the time of his discharge. Therefore, in the absence of evidence that the applicant has been the victim of an error or injustice, we find no compelling basis to recommend granting the relief sought in this application.

2. The applicant's case is adequately documented and it has not been shown that a personal appearance with or without counsel will materially add to our understanding of the issue(s) involved. Therefore, the request for a hearing is not favorably considered.

THE BOARD DETERMINES THAT:

The applicant be notified that the additional evidence presented did not demonstrate the existence of probable material error or injustice; that the application was denied without a personal appearance; and that the application will only be reconsidered upon the submission of newly discovered relevant evidence not considered with this application.
